Description

OVERVIEW

Transport your car safe and secure with Featherlite's bumper pull trailer Model 4926. This enclosed car hauler features a smooth extruded aluminum floor with 4 swivel D tie downs to secure your vehicle, a gravel guard and a rear ramp with cable assist and pressure latches for easy loading and unloading. The almost limitless number of customizations lets you make the 4926 as unique as the vehicle it will carry. Put in cabinets for tools and spare parts, a front loading ramp or install living quarters to convert the 4926 from car trailer to oversized toy hauler.

The first choice in selecting a Model 4926 car trailer is its length, which ranges from 16' to 32'. The width is a constant 8'6" while the inside height of the trailer is 6'6". The bumper pull car trailer 4926 also offers almost limitless options. Enhance your trailer's styling with side sheets that come in many colors. Striking dual-color and tri-color panels are also available.
